

2019 Cabernet Sauvignon Oakville Ranch Vineyard – Oakville, Napa Valley

THE VINEYARD

Oakville Ranch is a rugged 330-acre estate, tucked into a rocky shelf 1,400 feet above Napa Valley. It is in the foothills of the Vaca Mountains on the far eastern edge of the renowned Oakville AVA. This unique setting allows the vineyard to take advantage of the cooling breezes of the Pacific and the warm, dry air of the Central Valley. These optimal conditions, in addition to precise, careful, organic farming practices, result in grapes with a clear sense of place and uniformity. The rocky clay, loam and basalt soils have a heavy iron influence providing structure, power and depth. This vineyard was replanted in 2006 by esteemed organic viticulturist Phil Coturri, and is fast gaining a reputation for producing some of the best Cabernet Sauvignon in Napa Valley.

WINEMAKER NOTES

The 2019 vintage was similar to 2018 in that the mild season allowed for long and slow maturation. The lack of major heat waves and virtually no rain during harvest allowed us to pick every vineyard block at optimal ripeness. The 2019 vintage was slightly lower yielding, which resulted in greater concentration in the wines. Robust structures and rich flavors are consistent throughout the vintage. The vines at Oakville Ranch responded well to the mild, dry weather conditions of 2019, resulting in exceptional structure and bold fruit flavors. Barrels were selected and blended from individual lots of clone 337 and clone 4. A bit of Petit Verdot from an adjacent hillside block was blended in, adding depth and another layer of texture. Each component was vinified separately and aged in French oak barrels for 20 months before bottling.
