

2024 ROSÉ OF PINOT NOIR SONOMA COAST

THE VINEYARD This wine is a blend of Pinot Noir from eight unique Sonoma Coast vineyards, ranging from Annapolis in the far north to the Petaluma Gap in the south. Pressed grapes from our Sasaki Estate Vineyard form the foundation of this wine. Sasaki was originally planted in 1974 to Martini clone on St. George rootstock. The soils are clay loam, and the site stays cool and windy during the growing season. Gap's Crown, Silver Eagle and Walala Vineyards represent other key components used to produce this Rosé.

WINEMAKER NOTES As winemakers, we celebrate the balance and high quality of the 2024 vintage. The weather was ideal, timing was typical, and vineyard yields were in balance. It was a warmer year with limited heat spikes. Vine canopies remained healthy through the growing season, and clusters were average in size with variability across microclimates. The moderate weather allowed us to pick each vineyard at optimal maturity, with ripe flavors, fresh natural acidity, moderate brix, and mature tannins. This Rosé of Pinot Noir is a blend of saignée juice and pressed wine. The core of the 2024 blend is a block of gently pressed Pinot Noir from Sasaki Vineyard. Fermentation was performed in stainless steel tanks at low temperatures over three months, and the wine was cold stabilized before bottling. The resulting Rosé is dry with beautiful aromas, vibrant acidity and delicate fruit flavors.
